The authors authorize the editors to organise the publication of the above-mentioned contribution in the Proceedings of the 25th Symposium on Theoretical Aspects of Computer Science (STACS 2008), in electronic and printed form.

This publication will be protected by the Creative Commons *Attribution No-Derivative Works 3.0* license, a short version of which (the so-called *Human readable summary*) is available at <http://creativecommons.org/licenses/by-nd/3.0/>, and the full version of which is available at <http://creativecommons.org/licenses/by-nd/3.0/legalcode>.

In brief, this license authorizes each and everybody to share (to copy, distribute and transmit) the work under the following conditions, without impairing or restricting the authors' moral rights:

- **Attribution** the work must be attributed to its authors;
- **No derivative works** it is not allowed to alter or transform this work.

Please choose one of the two following options:

- I would like my paper to be visible on arXiv, and to that purpose, I agree to publish the source files of my paper.
- I do not authorise the publication of the source files of my paper, and my paper will not be visible on arXiv.
